A Prayer For Friends

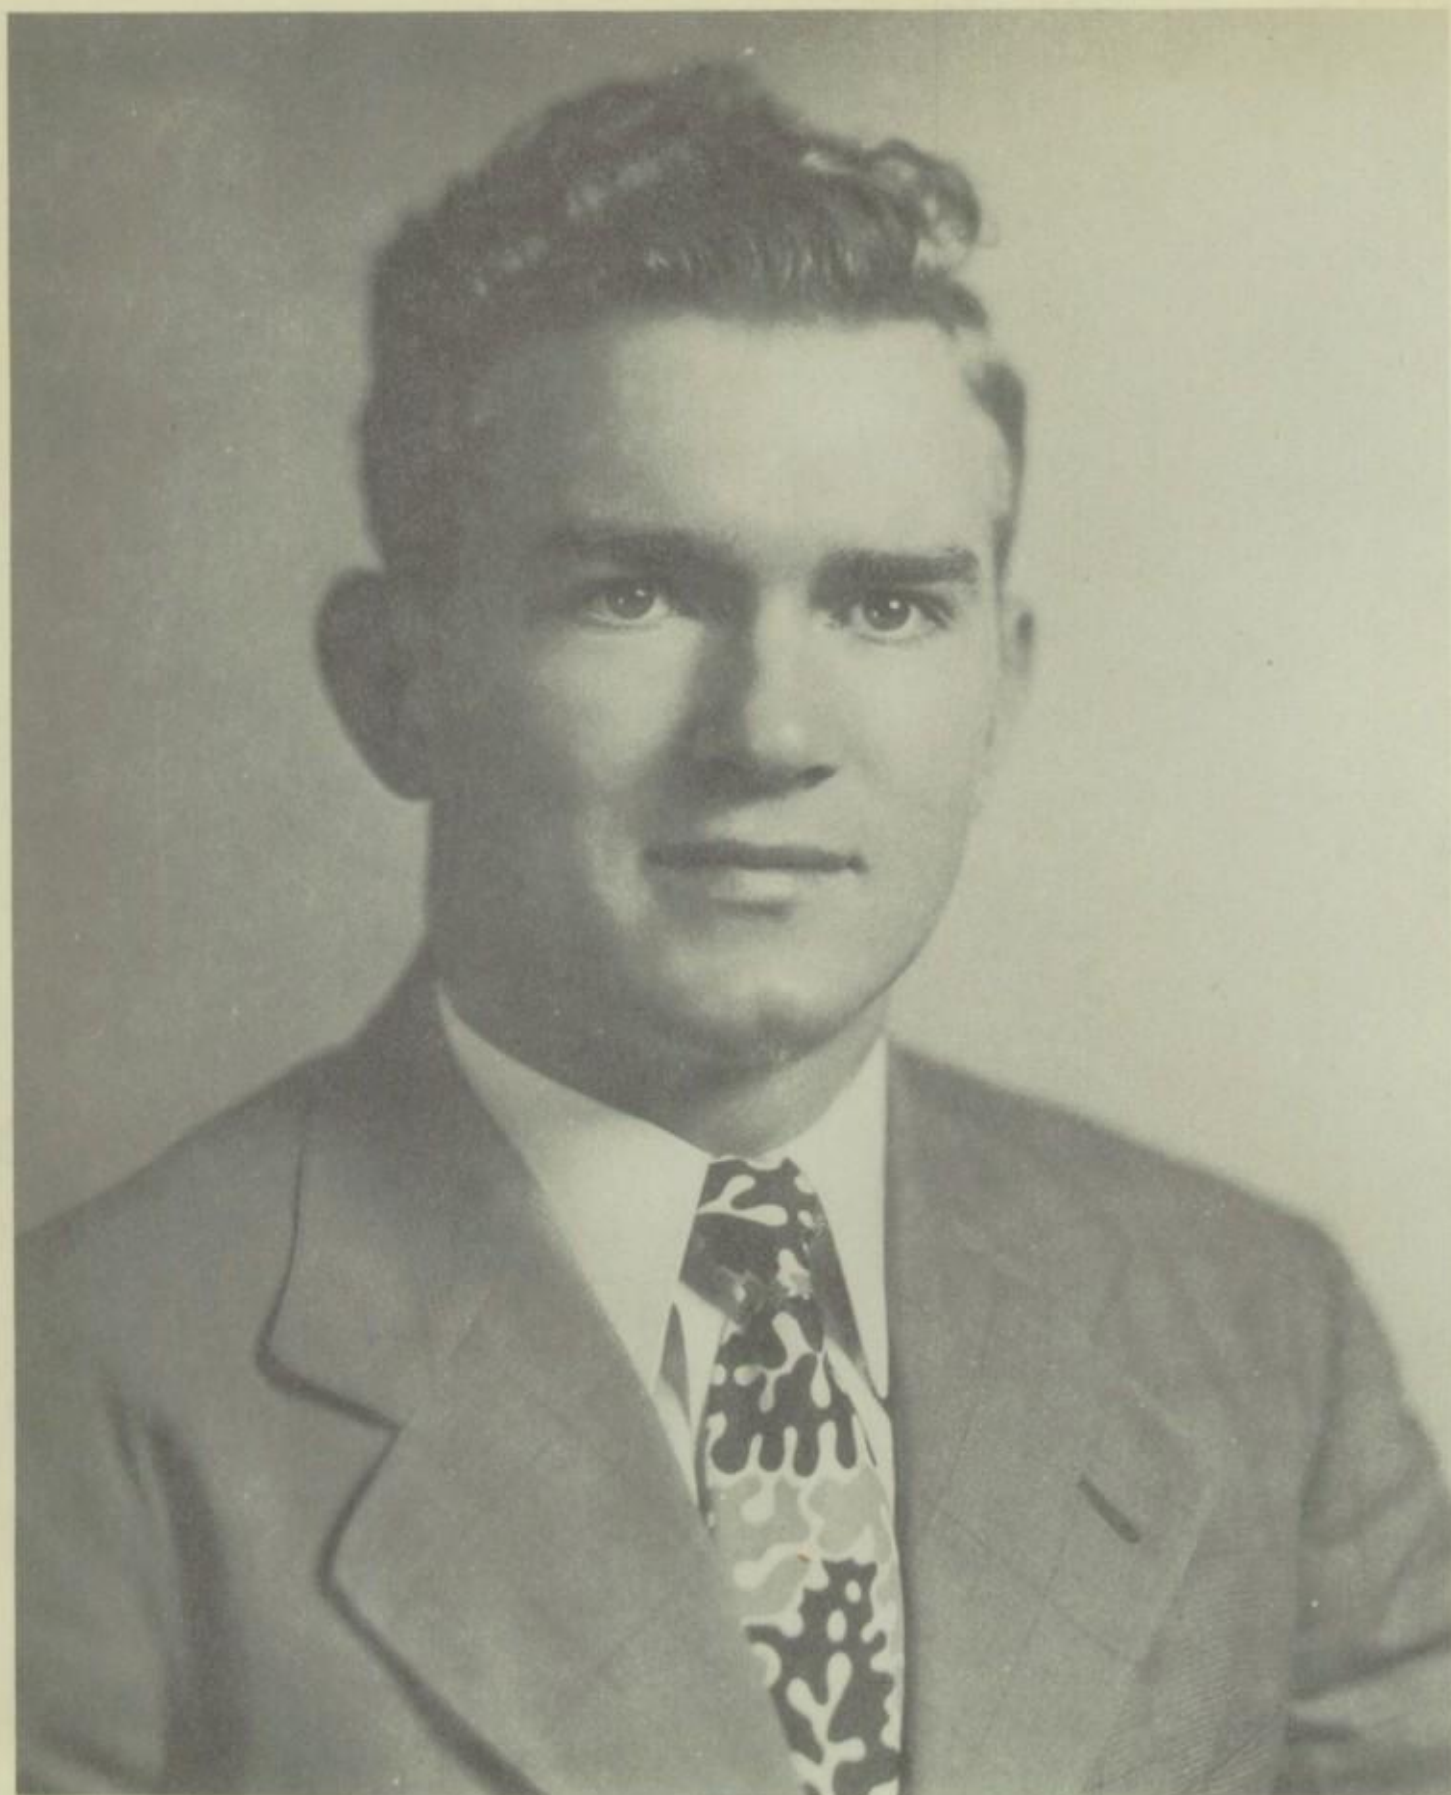

PURGE out of every heart the lurking grudge. Give us grace and strength to forbear and to persevere. Offenders, give us the grace to accept and to forgive offenders. Forgetful ourselves, help us to bear cheerfully the forgetfulness of others. Give us courage and gaiety and the quiet mind. Spare to us our friends, soften to us our enemies... Bless us, if it may be, in all our innocent endeavors. If it may not, give us the strength to encounter that which is to come, that we be brave in peril, constant in tribulation, temperate in wrath, and in all changes of fortune, and down to the gates of death, loyal and loving one to another.

DOROTHY BLEWETT

Miss Blewett conceived the idea of having an honor society for Marshals, since they do a great work for the school. The society was organized accordingly. Miss Blewett also has been actively interested in the Memorial Fund, serving on the committee for two years. Through her English classes and Althenian Literary Society her idea of a Penny Fund has added to the Memorial Fund bringing in this year about \$150.

The Euclidean Honor Society was organized at Woodlawn High School twenty years ago, with Charles McGowan as president and Margaret Fitzpatrick (Gail Patrick) as secretary. In April of that year a program on mathematics was presented in auditorium. On November 1, 1932, a Mathematics Vaudeville was given. A feature of this program was magic stunts by Tony Brandino, now Birmingham's leading magician.

Each semester a short program is presented in Freshman auditorium explaining the aims and activities of Euclidean along with some interesting facts about mathematics and its place in the world of science and business.

During the war, Christmas and Easter cards designed by active Euclidean members and printed here at Woodlawn were sent to former Euclideans in the armed services.

Euclideans are:

Excellent in mathematics,
 Unwilling to fail,
 Capable in many fields,
 Learning to teach,
 Interested in helping others,
 Dependable students,
 Enthusiastic in school service,
 Active in all school functions, and
 Normal boys and girls.

VETERANS' CLUB

Mr. Mansfield-Jones, Sponsor

The Veterans' Club was formed by past members of our armed forces and the Merchant Marine who wish to complete an interrupted education and have returned to our classrooms. Its purpose is to share comradeship, assist in the mutual problems that arise, and to encourage other ex-servicemen to complete their education. The club is sponsoring a living memorial, a recreation park in the eastern part of Birmingham.

The membership varies from ex-apprentice seamen and privates to ex-officers, Navy, Air Corps, Army, Marines, Coast Guard and Merchant Marine. Every theatre of war is represented and most important engagements—Africa, Normandy, The Bulge, Saipan, Iwo Jima, Okinawa, Anzio, and others, not leaving out M. O. B.'s and Receiving Stations. Altogether, over fifty years of service and several dozen medals and awards are represented by this group of Veterans. Serious in purpose and knowing their objective, these ex-GI's are expected to achieve success in their undertaking.

FOOTBALL

By Eleanor Fox

The Woodlawn 1945 Edition of the Colonels was a very surprising one, not only to us but to the whole city. We weren't so good in the won and lost column but to us we had a good team no matter what the score was. The Colonels were capably led by All-City and All-Southern center, Billy Prentice, and Alternate Captain Gene Driver, All-City and All-State Guard. Gene is now in the Navy. The Backfield was fairly strong considering the loss of the 1944 team as a whole. Gene McQueen our 1946 captain turned in a noble job at left half. The Colonels pulled the upset of the season when they beat Ensley, who later went on to win the City Championship, 19-0. Here is how the season went:

RAMSAY 27—WOODLAWN 7

Ed Salem and Daryle May of the Rams were too much for the Fighting Colonels. Ramsay pushed over two scores in rapid succession in the first period, one early in the third and another in the fourth. The Colonels scored in the final moment of the last quarter when McQueen sparked a 65 yard drive, each time off right tackle. The pay off was a 10 yard pass to End Paul Crumbley. Jack Gilliam, a sub, scored on a reverse from Hall.

SHADES CAHABA 12—WOODLAWN 0

In a game sparked by line play on the part of both teams, Shades Cahaba defeated Woodlawn 12-0 before some 4,000 fans. Woodlawn had the best of the rushing game with 120 to 103 but completed only three out of 15 passes for a gain of 49 yards. Prentice and Driver were outstanding for Woodlawn, while Moss Cowart and Lawson Acton did the scoring for Cahaba.

WOODLAWN 19—ENSLEY 0

Woodlawn pulled the biggest upset of the year when we defeated Ensley 19-0. After battling the tough Yellow Jacket defense for three periods, the Colonels got down to business in the fourth quarter and scored three quick touchdowns. The Colonels got possession of the pigskin through some alert ball hawking. Bud Stuart started the ball rolling when he recovered a fumble by Ensley. Gene McQueen passed to Bud for the first score. McQueen scored the second and Martin Staggs, fullback, added the third. Driver converted once.

BESSEMER 20—WOODLAWN 0

The Purple Tiger's backfield of Milton Brown, Billy Bomar, Dick Rickart, and Jim Patton ripped the Colonel line for consistent gains, Patton scoring two touchdowns, converting twice, and Rickart scoring one on a pass from Bomar. Again Prentice and Driver were outstanding.

PARRISH 18—WOODLAWN 14

This game should have been ours as so many of us know, but so it goes with the breaks and officials. Scoring for Woodlawn was Hall from the 12 yard line and Gene McQueen climaxing a 70 yard drive scored from the 11. Guards Clifford Jones and Dewey Lee were outstanding as they made impossible plays seem easy for Woodlawn and easy plays seem impossible for Parrish.

PHILLIPS 25—WOODLAWN 0

Woodlawners had their feathers pinned in this game as they went in as a favorite and came out the losers. The alert Red Raiders played heads-up ball every minute of the game. Two of Phillips' scores came from carelessness when punts were blocked on Gene McQueen. It was believed these raids came through guard although Guard David Abts and Center Billy Prentice played bang-up jobs. Phillips scored twice in the second quarter and twice in the fourth period. The downfall of Woodlawn came through weak passing. Only one out of 13 passes was completed.

WOODLAWN 41—SIDNEY LANIER 0

Woodlawn stopped Lanier dead in her tracks as they scored 41 points without a try for a pass. McQueen was hot as he led the Colonels attack. He made runs of 44 and 68 yards, both resulting in touchdowns. Joel Hall ran well, nearly getting away for a touchdown on a punt return.

In the first period, McQueen got away for 44 yards and touchdown, and Gene Byrd got away for 26 after a 64 yard drive for another score. In the second period Hall got away on the 30 and carried to the three yard line. On the next play McQueen carried for the longest run of the game, 68 yards, and another score. Early in the third quarter Byrd broke off guard for 63 and on to pay dirt. In the fourth, Byrd, Hall, and Pappas drove 55 yards, and Pappas went over from the six-yard line. Crumbley converted five out of six.

WEST END 25—WOODLAWN 0

By defeating the Colonels in this game the Lions gained a bid to the Crippled Children's Clinic Game. Donnie Cowser was the downfall of our Colonels. He scored twice on beautiful runs. One was a 74-yard off tackle. On the first play McQueen fumbled, after West End drove to the 28 where Woodlawn held for downs. John Terry recovered for West End. The other touchdowns resulted from the slinging arm and unorthodox passing of Quarterback Carl Miller. He passed to Jerry Sullivan, Right End, for one score and ran the other one over from the 10. Billy Prentice was easily the standout defensive star of the game. He made half of the tackles and did not make a bad pass from center all afternoon. Gene Driver, Bud Stuart, and Charles Justo played good games in the line, also.

TRACK

By Eleanor Fox

The track team of 1945 took all of the honors that the city of Birmingham has to give and also took the State Championship. Coach Blane had one of the best track teams to come out of Woodlawn in a long time. In the City League Woodlawn won every game they ran. In the league, Woodlawn faces the other team twice each season. In the state meet Woodlawn came out victors with 41 points. Their nearest rival scored 25 points. Some of the teams entered in the state meet were: Lanier, Sylacauga, Gadsden, Emma Sansom, and Anniston.

The lettermen and their positions were:

Frank Oliver.....	Dashes
Tommy Steele.....	880
Dan Newson.....	880

BASEBALL

By Eleanor Fox

The Colonel baseball team closed out the season of 1945 at an even score, winning five and loosing five in the league games. We beat West End two times, and Ramsay, getting the better end of our series when we had to have a play-off for second place, beating us two games to one. In the play-off the score was a very close one with Thomas Smith on the mound for the Colonels. Phillips and Woodlawn split two games as did Hewitt, but Ensley made us bite the dirt by beating us twice. Ray Laney, our first baseman, was captain for the season. He played a good game there as did our outfield, with two of the outfielders first-year men.

The lineup stood as follows: Pitchers: Thomas Smith, Frank Stevens, Martin Staggs, and Herman Moore. Catchers: Robert Baggett, Red Gilbert and Julius Isaacs. First Base: Ray Laney and Malcolm Frew. Second Base: Roy Smalley. Third Base: Ott Fowler. Shortstop: Pat Upton. Left Field: Gene Driver. Center Field: Gene Copeland. Right Field: Bobby DeRieux.

What the 1946 season will bring forth we do not know, but Coach Morgan believes he has a good team, a team that will be up around the top.

BASKETBALL

By Eleanor Fox

The Woodlawn High School basketball team of 1945-46 had a pretty fair season, winning seven games and losing eight. This includes practice games, regular scheduled games and three tournament games.

In scheduled games, Woodlawns' scores went like this:

Woodlawn 43.....	West End 30
Woodlawn 40.....	Ensley 43
Woodlawn 28.....	Ramsay 35
Woodlawn 30.....	Phillips 38
Woodlawn 30.....	West End 37
Woodlawn 55.....	Ramsay 23
Woodlawn 32.....	Phillips 30
Woodlawn 33.....	Ensley 40

Woodlawn entered the tournament and won two games and lost to Ensley 28 to 30. This was a heartbreaker to all. Center Malcolm Frew captained the Woodlawn team, was high scorer and made All City team. During the season Gene Copeland advanced from the B Team to the varsity and did a good job. The team was composed of: Forward, Austin Holmes, Red Gilbert, Toby Storey; Center, Malcolm Frew and George Gammon; Guards, Gene Copeland, Bobby DeRieux, and Jay Milam.

TENNIS

By Eleanor Fox

The Woodlawn High School tennis team took all honors for last year by winning the City, County and State Championships. The championship for this past year was based on the point system like a track meet. For every round a person advanced in the singles he collected two points for his team, and in doubles a team collected three points. Morris Dillard made 12 points for Woodlawn by advancing six rounds. Morris went into a playoff with Ben Reid for the Singles Championship for the state and was defeated. Malcolm Coats and Denward Davis were the top doubles men with John Jordan and Paul Meeks in the number two slot. To comprise the rest of the team Jack Fortsman was number two in singles and Beverly Sawyer number three man in singles.

This was their record at the end of the season:

Won	Lost
8	2

We beat Bessemer twice, Phillips twice, Ensley twice, West End once and Ramsay once. The only out of town team we played was Sylacauga, and we split a two game series with them.

As we go to press, the prospect for 1946 seems bright, according to Coach Carter. A fine squad is working out hard, and we are looking for them to bring home some more championships.
